Experiment 1

Section 9

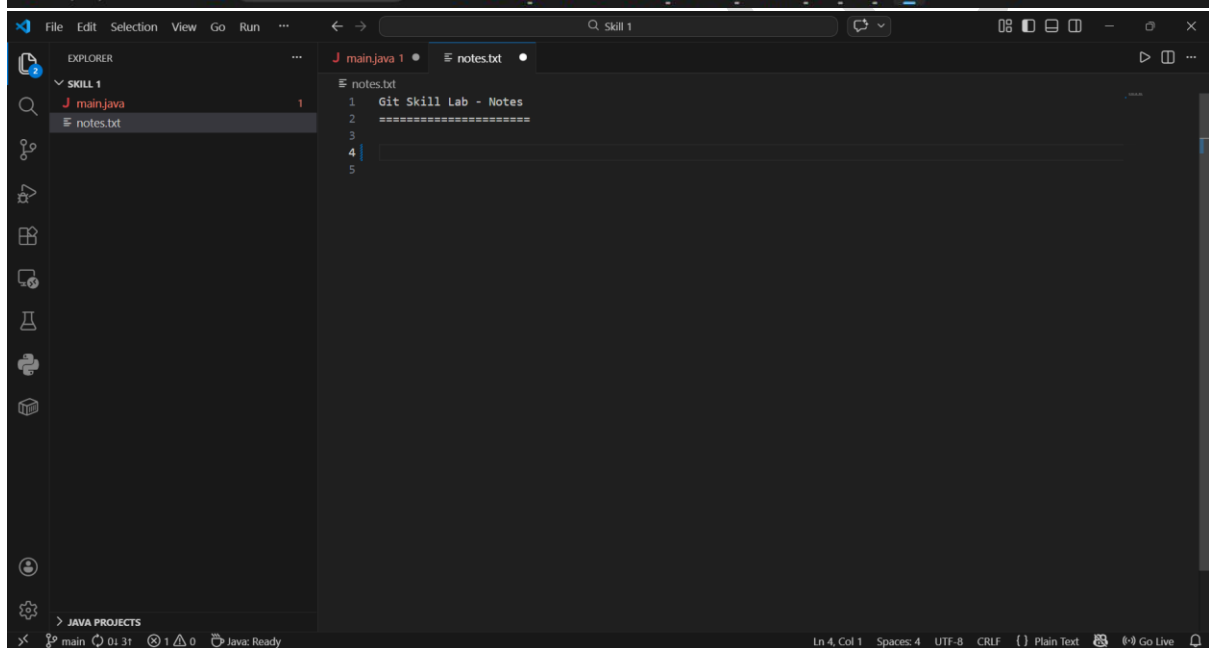

2400030037

This screenshot shows the Visual Studio Code editor with the `main.java` file open. The Explorer sidebar on the left shows a project named `SKILL 1` containing `main.java` and `notes.txt`. The main editor area displays the following Java code:

```
1 public class Main {
2
3
4     public static void greet(String name) {
5         System.out.println("Hello, " + name + "! Welcome to Git Skill Lab.");
6     }
7
8     public static int add(int a, int b) {
9         return a + b;
10    }
11
12    public static int multiply(int a, int b) {
13        return a * b;
14    }
15
16    public static void main(String[] args) {
17        greet("Student");
18        int result = add(10, 20);
19        System.out.println("Sum of 10 + 20 = " + result);
20
21        int product = multiply(5, 6);
22        System.out.println("Product of 5 * 6 = " + product);
23        System.out.println("This is the feature-update branch.");
24    }
25 }
26
```

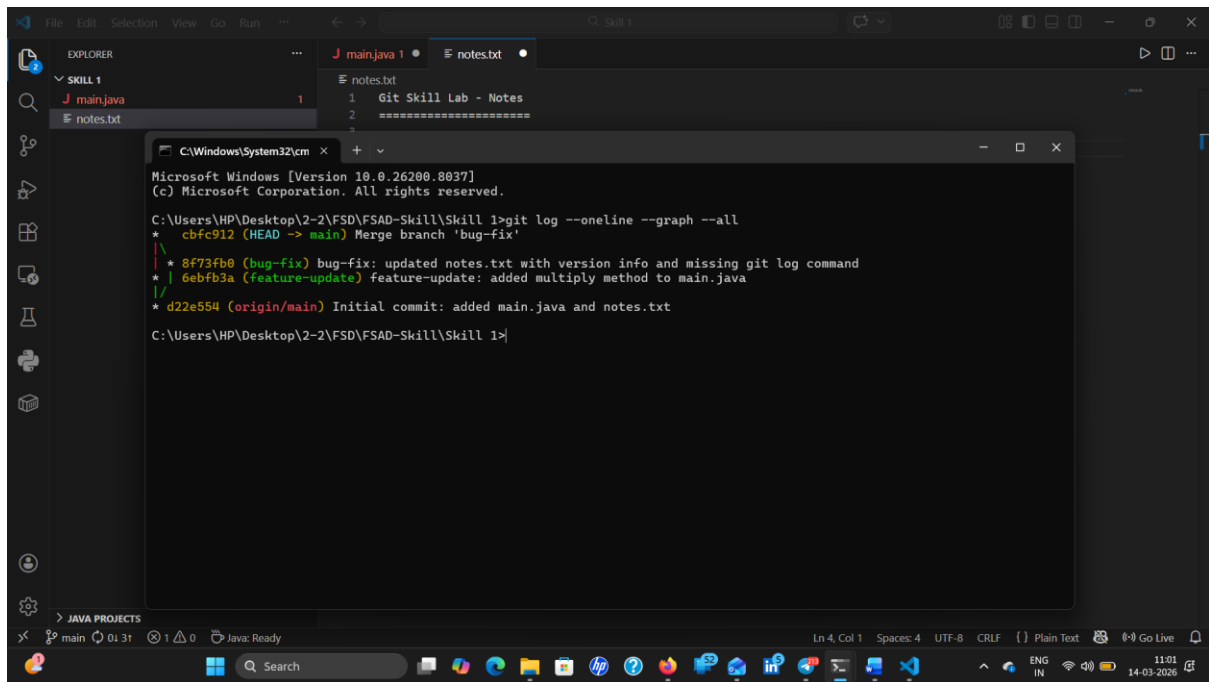

The status bar at the bottom indicates the cursor is at line 26, column 1, with 4 spaces, UTF-8 encoding, and CRLF line endings. A message at the bottom right says "Opening Java Projects: check details".

This screenshot shows the Visual Studio Code editor with the `notes.txt` file open. The Explorer sidebar on the left shows the same project `SKILL 1` with `main.java` and `notes.txt`. The main editor area displays the following text:

```
1 Git Skill Lab - Notes
2 =====
3
4
5
```

The status bar at the bottom indicates the cursor is at line 4, column 1, with 4 spaces, UTF-8 encoding, and CRLF line endings. The text format is set to "Plain Text".

The screenshot shows an IDE with a file explorer on the left containing 'main.java' and 'notes.txt'. The main editor displays 'notes.txt' with the text 'Git Skill Lab - Notes' and a separator line. A terminal window is open, showing the execution of the command 'git log --oneline --graph --all' in the directory 'C:\Users\HP\Desktop\2-2\FSD\FSAD-Skill\Skill 1'. The output of the command is as follows:

```
Microsoft Windows [Version 10.0.26200.8837]
(c) Microsoft Corporation. All rights reserved.

C:\Users\HP\Desktop\2-2\FSD\FSAD-Skill\Skill 1>git log --oneline --graph --all
* cbfc912 (HEAD -> main) Merge branch 'bug-fix'
|
| * 8f73fb0 (bug-fix) bug-fix: updated notes.txt with version info and missing git log command
| * 6ebfb3a (feature-update) feature-update: added multiply method to main.java
|/
* d22e554 (origin/main) Initial commit: added main.java and notes.txt

C:\Users\HP\Desktop\2-2\FSD\FSAD-Skill\Skill 1>
```

The IDE's status bar at the bottom indicates the current file is 'main.java' on line 1, column 1, with 0 spaces and 0 tabs. The system tray shows the date and time as 14-03-2026, 11:01.
